## Remarks

The Villa (846sqft/82m2 incl. veranda) is a part of the Le Phare Bleu Marina & Boutique Hotel www.lepharebleu.com and is sold freehold with the parcel of land of 4185sqft/389m2. It is a great investment opportunity for people who like to have a special place for their holidays. The villa is fully furnished and surrounded by a beautiful award winning garden. The high quality resort has a peaceful atmosphere and is very save, only 20min from the airport away. During your stay you choose between self-catering or using the full hotel service with all the resort amenities: swimming pool, 2 restaurants, car rental, mini market offering all the essentials incl. daily fresh bread.

The villa is managed by the JADI Managemnet Ltd, which is responsible for renting and maintaining the bungalows for the periods when owners are not in residence. There is a estimated ROI of 5%, depending on the occupancy during the whole year once owners' usage and rental income has been accounted for.
