Features and Amenities

Near By

School(s)
Agricultural Activities
Church
Public Transportation

Front Access Road

Unimproved

Location Features

Cul-de-Sac

Topography

Sloped

Remarks

The land is partly flat to gently sloping, which will be great for agricultural activities, as well as building a house. There is already one house close by. There are two access roads to the land. The land has both an ocean view and hilltop view looking over to Westerhall/Petit Bacaye There is a river passing to the right of the land.
