Remarks

This flat plot 17B is almost square in shape and easy to build on. Facing East with a partial ocean view and enjoying a nice Caribbean breeze, it is easily accessible with access through an allowed road and close in proximity to the famous Blow Hole plot. With a good standard of housing close-by and throughout this neighborhood, New Westerhall Point is governed by a Covenant and Residents Association. There are annual maintenance fees to be paid. Approximately 20 minutes from the International Airport, St. George's University and downtown St. George's.
