Remarks

This is a rare opportunity to own over 2.3 acres of fertile land. This lot has flat and sloped areas within its parcel.

The area is scenic, and breezy.

There is a good concrete road access that will lead to the allowed road (that is not paved).

The allowed road is designated on the lot plan. Perfect for building a dream home and keeping an abundant garden.

Utilities such as water and electric are easily accessible.

The area has both residential and agricultural activity. The closest town is Grenville only 3 miles away.
