Remarks

This large parcel of land at just over 3 acres is situated in the quiet residential neighborhood known as Springs Heights. Centrally located and facing South/South West, it is approximately 10-15 minutes from downtown St. George's, the International Airport, St. George's University, restaurants, shopping, marinas and world famous Grand Anse Beach. Sloping in nature, there are utilities including electricity and water at the property's boundary. There is potential for a nice sub-division to smaller plots.
