Remarks

Elevated, commanding sensational and entrancing views across the ocean. The current owners describe it as "A million dollar view, with the most beautiful of sunsets"

This villa is an older property, in need of some renovations. Set in a mature landscape with a swimming pool, which is perfect for relaxing day or evening, and due to its positioning, is sun heated like a warm bath.

On a private road, the house offers perfect peace and tranquillity.

It would work well as a home/retreat for a couple, family home or as an investment opportunity for holiday rentals/lets
