Remarks

Available January 2024. Newly built, newly fully-furnished, pet-friendly 2-bedroom / 2-bathroom apartments with an extraordinary view of the Maurice Bishop International Airport strip. Apartments come equipped with a smoke detector and fire extinguisher. Each bedroom has its own private patio. Property is designed with 4 units, 2 units on the top floor and 2 on the bottom floor. Air conditioning recently installed in the living room space and also in the bedrooms.

This property is located at top Calliste, within close proximity to the Maurice Bishop Int'l Airport strip therefore the sounds of planes landing and taking off can be heard. Access to public transportation is a short walk out however, private transportation is highly recommended in accessing this property as the front access road has a slightly rough terrain.

Tenants have access to a private parking area on the road, however there is a side staircase leading downwards to the apartments.
