Remarks

Approximately three plus acres of beachfront land, sloping from the top and levelling off at the well-known BBC Beach (Morne Rouge Bay). There is a magnificent panoramic view of the surrounding area. Ideal for building a hotel or condominium units. This lot can be used for both residential and commercial purposes. An outline approval for a 78 room hotel and beach side facilities was secured by the current owner, this gives a good indication of the development potential of the site. All amenities are in place. Located within ten (10) minutes of banks, supermarkets and the Maurice Bishop International Airport.
