Remarks

The building is new and has only just been completed, therefore, it is not yet furnished with all of the necessary furnishing and appliances.

The upper floor of the building consists of three bedrooms (including a master's Bedroom), kitchen / living-room area, washroom, two verandahs and corridors separating bedrooms and living-room area. This section of the building can be used for accommodation including rentals.

The ground floor consist of two verandahs, seating area, storage and utility room, wash-room and large kitchen and dining area. The entire ground floor is a commercial space and can accommodate various events such as dining, small group parties and / or conference, wedding reception, etc.
