Remarks

Part of the developing residential neighborhood known as Belle Isle in the parish of St. David and sitting at the end of a quiet side street, this lot is rectangular in shape and flat so it should be easy to build. There is excellent infrastructure with a concrete road, electricity and water at the property's boundary and also a beautiful beach within walking distance. Facing South/South West, there are a couple of homes close-by on neighboring lots. Belle Isle is approximately 35-40 minutes from the International Airport, downtown St. George's and is governed by a Covenant.
