## Remarks

Nestled on the northern part of the eastern coast in St. Andrews, this lot is one acre and a half, it goes up hill until it flattens a little, it is an undulating landscape in nature. It has many fruit bearing trees, including citrus, mango, nutmeg, cocoa, soursop breadnut and Spice. This land remains part of the initial Belmont Estate, accessible via Lower St. John in St. Andrews. This land has no direct road access at this time, a 10-minute trek from the main village brings you to the land. Ideal for an agricultural activity and raising animals.
