#### Remarks

This apartment is situated in Morne rouge. A quiet inland area, only 3 minutes from the largest shopping center in the Grand Anse area and roughly 5 minutes walk to our most beautiful white sand beach. This is a spacious studio apartment with a large kitchen area located on the ground floor of the building with a paved drive through to the fore front of the apartment. This is an ideal location for student as it is only 3 minutes walk from the SGU bus stop and it's accessibilities. A price to grab!
