Remarks		
<p>This contemporary concrete and blockwork structure offers a spacious and inviting living environment spanning 1,868 square feet. The building, approximately 5 years old, exudes modern elegance and boasts a variety of desirable features including Smart Home functionalities pairable with Alexa and/or Google Home. Small appliances include a coffee maker.</p> <p>As you step inside, you'll be greeted by an airy living space, adorned with sleek ceramic tiles that add a touch of sophistication. The open-concept layout seamlessly connects the kitchen (with Smart Fridge), dining area, and living room, providing the perfect setting for entertaining guests or spending quality time with family.</p> <p>The master bedroom is a true retreat, complete with an ensuite bathroom for added convenience and privacy. You'll also find a walk-in closet, providing ample storage space, and a balcony that offers a peaceful oasis for enjoying your morning coffee. Two additional bedrooms provide cozy accommodations for family members. A powder room adds a touch of luxury and convenience for guests.</p> <p>Outside, a concrete driveway leads to the property, providing parking for 1-2 vehicles and secured by LED spotlights that can be controlled remotely via the smart home. The manicured lawn surrounding the home enhances its curb appeal.</p>
