Remarks

This large parcel of agricultural land sits just opposite the property commonly referred to as "The Cottage" in Dunfermline and comprises approximately 2 1/4 acres. With road access and relatively flat at the top wider section, one can utilize the land for mixed use and build a beautiful home to the top. The lower portion of the land is cultivated in some areas and in boundary with a stream. Perfect for agriculture this property has huge potential. Dunfermline is approximately 50 minutes from the International Airport and 15 minutes to the bustling town of Grenville in the North.
