Remarks

Lot # 1 is just over half an acre and measures 22, 957 sq. ft., which is a great find within this residential area for those seeking increased privacy. Its gradient alternates between relatively flat and gently sloping.

There is a beautiful yacht and ocean view that can be seen, as this lot is somewhat elevated, and it is located within a quiet section of this neighbourhood.

True Blue is a much sought-after residential area that is approximately 10 minutes away from the Maurice Bishop International airport. It is also the location of the globally renowned St. George's University (SGU) campus.
