Remarks

This rectangular shaped plot of land is gently sloping to flat and located on Seaside Circle in the desirable residential neighborhood of Ft. Jeudy. With a good standard of housing close-by, the plot is East facing and

enjoys a partial view of the Atlantic ocean in the distance and warm Caribbean breezes. The area is governed by a Covenant and Residents Association and is just 20-25 minutes from the International Airport and downtown St. George's. It has good infrastructure at its boundary including a concrete road, electricity and water.
