#### Remarks

Tastefully decorated one bedroom apartment in the beautiful Petit Calivigny community, with a magnificent view of Egmont Harbour. This ground floor apartment is accessed by external stairs and features a charming patio with an unhindered view of the water and surrounding areas. The area is very breezy so the space is well-ventilated. The bedroom has an expansive wall-to-wall his and her closet. Suitable for a couple for single person who appreciates scenery and quietude.

The landlords live on the upper floor and there is another apartment on the compound. Petit-Calivigny is a developing residential area with attractive homes and an upcoming high-end development. Le Phare Blue Marina & Restaurant is just a short drive in the same community.

The area is located about 15-minute drive to Grand Anse and about 20-minute drive to downtown St. George.
