Remarks
<p>This grand luxurious property sits at the pinnacle of the Calabash Hill. Facing southeast it boasts fantastic sea views overlooking the Prickly Bay Marina, to the south, the Lance Aux Epines main road and mountain ranges to the east. It was built in 2002.</p> <p>There are two floors; One enters the house into a lovely open courtyard with a variety of shrubbery. On this level there are three bedrooms, each having an ensuite bathroom with his and her sinks. The master bedroom includes a walk-in closet, office space, bathtub and shower. Additionally, there is a large kitchen, living room and TV room as well. The living room opens onto a patio with an infinity pool, Gazebo and BBQ grill ready for family get togethers or entertaining guests. There is a large linen closet and further storage areas as well.</p> <p>The lower level encompasses two bedrooms, one of which opens onto a private patio and garden. Further the maid quarters, laundry and boiler room are also on this level.</p> <p>The home is outfitted with both 120v and 220v for electrical appliances and hurricane shutters in the event of a hurricane. It is mainly an open concept, filled with natural lighting and a cool breeze flows throughout. This property is ideal for relaxation after a long day or suitable for someone looking for an island getaway or retirement. There is an additional 1 Acre lot in boundary with this property that can be purchased together with the house.</p>
