Remarks

This lot is flat and faces East with the most magnificent view of the ocean and sounds of the water lapping ashore. A small beach is virtually on your doorstep through a small hike down the bushes and rocks with excellent capacity for snorkelling. Breezes abound from the East. Primarily a residential neighborhood with a good standard of housing, Ft. Jeudy/New Westerhall Pt. are within a short distance from the all the necessary amenities. Just 20 minutes from the International airport and downtown St. George's.
