Remarks

This lot is flat and sits high above the ocean facing East/South East. Almost square in shape, it enjoys the sound of the waves crashing against the shoreline of Grenada. It is part of the developing neighborhood known as New Westerhall Point on the peninsula of Ft. Jeudy, St. George's. Quiet, private location with uninterrupted view of the Atlantic ocean. Approximately 20-25 minutes from the International Airport, St. George's University, shopping, restaurants and beaches.
