Remarks

Located directly on the main road in La Taste in the Northern parish of St. Patrick, this property is just 10 minutes from beautiful Bathway Beach and Levera Beach where the leatherback Turtles nest. The property sits on over an acre and a half of rich tropical vegetation including breadfruit, nutmeg, golden apple, breadnut, cocoa, green banana to mention a few. In need of some upgrade, the property comprises on the upper level, a kitchen/dining room, two bedrooms, one bathroom and living room that opens out onto a veranda. On the lower level, there is a two bedroom one bathroom apartment with its own private balcony embracing a mountain view to the North. The bustling town of Grenville is approximately 25 minutes away.
