Remarks

Built in 2004 with the addition of a large pool in 2006 and situated on Lot 4B, this six bedroom six bathroom property sits on a lovely plot of gently sloping land rich with tropical fruits. With an open-plan concept, each bedroom has its own en-suite bathroom. An additional room on the lower level equipped with plumbing has the capacity to be anything including a small gym. Hope City is a residential neighborhood governed by a Covenant and is just 10 minutes from the bustling town of Grenville on the Eastern side of the island. Hope Beach is within walking distance and the property was originally designed with a B & B in mind but also has the potential to be a home for the elderly. Approximately 45 minutes from the International Airport and downtown St. George's.
