Remarks

Modern yet laid-back villa on the idyllic Caribbean island of Carriacou, Grenada. Ideal for a family of four or two couples, Longue-Vue Villa has two bedrooms, two bathrooms, a small swimming pool, and high-quality furniture and fittings throughout. Longue Vue-Villa is located in the community of Craigston, just North of the main town of Hillsborough. The nearest beach is a pleasant 20-minute walk away. The villa was built on higher grounds facing West and thus benefits from constant sea breezes and 180-degree views of the Caribbean Ocean. The two bedrooms on the top floor of the villa are fully screened.

Longue-Vue Villa is the perfect retreat for those searching for the true Caribbean experience. The villa is currently used as a vacation rental and the open basement provides space to build additional rooms.
