Remarks

Lot No. 11 in this emerging new residential neighborhood is steep in nature. Facing West/South-West, it is almost rectangular in shape and can be accessed from the bottom or the top. Infrastructure including a concrete road and electricity are at the property's boundary. This area is tucked away off the main road and most lots embrace a lovely island view. Centrally located this development is approximately 20-25 minutes from the Maurice Bishop International Airport and 20 minutes to downtown St. George's.
