| <p>Maran is a village on the Western side of the island in the parish of St. John approximately 5 minutes from the town of Gouyave or 1 hour away from the city of St. George.</p> <p>The single-family home overlooks the main road with vast view of the Caribbean sea. The main section is elevated by concrete pillars with an unfinished grown floor.</p> <p>In the main floor there an airy balcony that leads to the living room and then the kitchen. There are two bedrooms with the potential for a third with one bathroom.</p> <p>The home is ideal for someone living in the area looking for an affordable option.</p> |
