Remarks

Maran is a village on the Western side of the island in the parish of St. John approximately 5 minutes from the town of Gouyave or 1 hour away from the city of St. George.

The single-family home overlooks the main road with vast view of the Caribbean sea. The main section is elevated by concrete pillars with an unfinished grown floor.

In the main floor there an airy balcony that leads to the living room and then the kitchen. There are two bedrooms with the potential for a third with one bathroom.

The home is ideal for someone living in the area looking for an affordable option.
