This land is over 4 acres, ideal topography for residential or agriculture, the land was previously part of the top cocoa estate in Grenada known as Copeland #1.

Many parts are flat, some undulating, generally easy to walk and enjoy the grounds. The land is famous for a majestic silk cotton tree on its boundary

In the past this land has been a top producer of mahogany, cocoa, mango, nutmeg, coconuts and bananas. Peaks of the ocean are visible as you navigate this beautiful land.
