Remarks

This large plot of land at 30,000 sq. ft. sits on a ridge commanding a panoramic view of the green mountain range of Grenada to the North/North East and the blue ocean. With good infrastructure at its boundary including electricity, water and a new concrete road, it is part of a developing neighborhood in the area known as Petit Bacaye and enjoys a constant breeze from the East. Just off Red Gate roundabout, it is approximately 25-30 minutes from the International Airport and downtown St. George's.
