Topography	Yard Aspect	
Flat	East	

Remarks

This large (almost 2 acres) and rare plot of land is one of the few remaining parcels on the outskirts of the quaint town of Sauteurs in the parish of St. Patrick. It is relatively flat and has good potential to be converted to residential land with the possibility of sub-division into smaller housing plots. It is easily accessible, on a main bus route and is within walking distance from shopping, banks, beaches and churches.
