Remarks

This stunning architecturally designed property known as Sea La Vie, sits on a gentle slope of land in the residential neighborhood of Ft. Jeudy. With a breathtaking view to the West overlooking the blue Caribbean sea, the property comprises four levels. At the top level, the master bedroom with private balcony is equipped with en-suite bathroom comprising both bathtub and separate shower. There are two bedrooms on the next level down, one with en-suite bathroom and the fourth bedroom with en-suite is on the lower level adjacent to the laundry. An open-plan living/dining room with high ceilings opens out onto a relaxing pool area ideal for entertaining. The kitchen is well equipped and there is a less formal TV/family sitting area with a full bathroom on this level. The two-car garage has an interior stairway leading directly into the property.
