Remarks

This almost square shaped plot of land is sloping in nature and forms part of the developing residential neighborhood of Tete Monde in Calivigny. East facing, it enjoys a view of the lush green hillside and mountains in the distance. With good infrastructure at its boundary including a concrete road, electricity and water. Approximately 20-25 minutes to downtown St. George's, the Maurice Bishop International Airport, St. George's University and the Grand Anse shopping area.
