#### Topography

Sloped

#### Yard Aspect

West

### Remarks

One of the few remaining plots of land in The Villa, this square shaped plot commands a most breathtaking view of the quaint and picturesque town of St. George's, the capital of Grenada. Overlooking the area known as The Carenage and facing West, it is gently sloping and can be used for either residential or commercial. Within walking distance from down town, restaurants, shopping, marinas, banks, public transportation and approximately 20 minutes from the International Airport.
