Remarks
<p>Xel Ha (where the water is born) is located in the upmarket residential community of Fort Jeudy on the south coast.</p> <p>This elegantly designed and furnished modern Mexican-styled villa, with its three spacious en-suite bedrooms, is ideally tucked away. A rustic wrought iron gate opens to a motif pebbled courtyard at the entrance to the villa's magnificent front doors. Tall doors and vaulted ceilings lend to its spacious and gracious living. Each room is passionate in its Mexican style, with fabulous ocean views, wooden four-post beds, wrought iron and copper accents, solid teak counters, and cobalt blue clay bowls as sinks. Mexican furniture and a long ten-seater dining table complete the setting to make Xel Ha special. Built 2004.</p>
